**Family Life Ministry of Diocese of Antigonish Parenting Tip :** Christmas is a time of great joy and excitement for children who wait with anticipation to receive presents from Santa and other loved ones. Keeping Christ's birth at the heart of the celebration can be hard, but not impossible. We can help our children focus on the true meaning of Christmas in the following ways: place the nativity scene as a focal point in your home; assist with or contribute to charity drives; read the story of Christ's birth daily; engage in a small advent lighting ceremony each week of advent as a family; on Christmas morning sing "Happy Birthday" to Jesus before you open up the gifts under the tree. Christmas holds a deeper meaning for all when we stay focused on its true meaning. - Used with permission from the Family Ministry Office of Diocese of Hamilton
